LUNDY

Our Lundy sofa collection exudes pure comfort, with a high back design, supportive and ergonomically designed arm rests, combined with fully padded lumbar back cushions and soft pillow top headrests. Choose from several personalised comfort reclining options so that you can move the seats and backs to whichever position is most comfortable whether you're reading the Sunday papers or watching your favourite movie. Built in USB ports mean you can keep connected and recharged and the wide choice of fabric and leather colours mean you can co-ordinate each piece in the range to suit you style and decor.
